When: September 10 - 13, 2008

Where: New York City, New York, Ground Zero, Judson Church, Manhattan Center Grand Ballroom

What: Street Action, Memorial Services, 9/11 Conference, Movie Premiers, 2008 NOW OR NEVER (hip-hop concert)

Why: In past years, for the anniversary of September 11, 2001, our goal has been to raise awareness of the false flag operation that occurred here in the United States. Now people are aware of 9/11 truth, and we are change chapters are in every state and many countries around the world. With our success in getting the message out we are going to change gears; this year we are making it known that 9/11 First Responders NEED OUR HELP. Thousands are sick and dying with no relief in sight.

WE ARE CHANGE.ORG, LOUDER THAN WORDS & SMT STUDIOS

We urge you to help us bring much needed relief to the men and women who stood and served the victims of September 11th and soon became victims themselves.

Street Teams

This is a purely volunteer job. For everyone out there who has asked us, "What can I do? How can I help?"

Here is how:

On the website www.2008nowornever.com, is a download tab in the upper right hand corner. In this section of the website are signs, posters, radio commercials, t shirt designs, and video trailers. Your mission is to spread the message any way possible.

College radio stations, local radio, internet radio, MySpace, Facebook, podcasts, blogs.... don't be afraid to buy air time, pirate the air waves. We need you to let the masses know that we are taking the responsibility of helping the surviving victims of September 11, since the government has chosen to let them die.

So go spread the word, let us know so we can post it. Take pics, make videos of your action, and we'll get it up and out there.

Thanks for everything you have done and will continue to do. We cannot do this without you all!
